FROM THE BLUE LETTERS:

Suffering is always the intensification of life, and the pitiful instances where the suffering is more real than the potentials of which it is signature and where man clings to his pain as though it were the greatest reality he might know are healing's greatest defeat. (566) SAIJIN JACK - *HILMA DUEY, LEONORA SMITH MCCARLEY, PHYLLIS STANEWICK*

Spiritual testing is awareness of a higher, and this is fulfillment. (567) KENT McCLUNG -*MICHAEL ELLIOTT, BARBARA ANN HOSACK, KARIN PISCHKE, HARRIET SHEELEY*

When healing is proper and its true nature is realized or when the nature of illness is clear and the constructive purposes of suffering are grasped healing never fails in even the slightest degree. (568) PATTI HUDSON, ELIZABETH McCLUNG, CAROL ZENGARA - *LIZANNE McCLENON, PHYLLIS STANEWICK, IRIS WESTWOOD*

FROM PLATO'S BANQUET: ("M")

If man sets up a proper relationship to himself his relation to others is social and spiritual. (XXI) p. 62 CAROL ZENGARA - *BILL ROCHE, HARRIET SHEELEY*

If there is any truth in life's banquet at all it is that the inner or spiritual elements of human association are real--friendship, love, regard for the rights of common humanity, willingness to subordinate self to the civic good, and so on--and this is a quantity representative properly of the whole substance of man and of his invisible being and fellowship in which all of him gains social existence and through it manifests higher reality. (XXII) p.65 PATTI HUDSON - *GLORIA LEE, KARIN PISCHKE*

The greatest of all art is that which leads to the improvement of mankind. (XXIII) p. 68 ELIZABETH, McCLUNG, KENT McCLUNG, MAYTE PICCO-KLINE - *DIANA ROCHE, ADAH SORENSEN*

Although Aristotle is the actual founder of logic, and has given man the name as well as the form of metaphysics, yet in all fairness it must be stated that these are really owed to Parmenides who in this sense is the actual if remote father of all science and all organized development by man of a practical and workable knowledge of the world in which he lives. (XXIV) p. 70 SUKI LUSSOS

Therefore the problems of idealism as such become the proper approach to life, and to this Plato's Banquet gives the answer in love and friendship or in values that are at once objective and subjective and that lift matter to spirit and incarnate soul in experience and personal relation simultaneously. (XXIV) p. 72
MICHAEL ELLIOTT, WARREN NEWMAN, JACKIE SOVAS - SUZANNE DeGEISO,
MICHAEL ELLIOTT

The spiritually minded person is continually integrated by his faith, and all other needs of his existence will come in train. (XVIII) p. 53 WARREN NEWMAN, CAROL ZENGARA - STAN CARNARIUS, MICHAEL ELLIOTT, DELLE FOWLER FRECH, BILL ROCHE, HARRIET SHEELEY
